**How To Gain Flesh**

Persons have been known to gain a pound a day by taking an ounce of Scott's Emulsion. It is strange, but it often happens.

Somehow the ounce produces a pound; it seems to start the digestive machinery going properly, so that the patient is able to digest and absorb his ordinary food which he could not do before, and that is the way the gain is made.

A certain amount of flesh is necessary for health; if you have not got it you can get it by taking

Butterworth, Commander of the Camp, presided at the meeting. A pleasant and entertaining program was rendered which was thoroughly enjoyed by all those present.

The principal feature of the exercises was the address of Mr. Albion Dunn on the life of General Lee. It was an able and interesting review of his life and was greatly enjoyed by the Old Soldiers.

Major Neal introduced a resolution to the effect that hereafter the Trustees of the Scotland Neck Graded School give holiday on Lee's birthday. Prof. Wilson assured Major Neal that the children of the school should always be given the opportunity to attend the exercises held in celebration of the birth of this great man.

After the conclusion of the exercises, the Daughters of the Confederacy invited the Veterans to partake of a good and bountiful dinner which they had prepared for them, and which was served in the hospitable home of Mr. J. L. Josey.

Every feature of the occasion was enjoyed with the keenest delight by all the members of the Camp, and one and all pronounced the celebration a pleasing success.

1st. Resolved:—That the Road Board pay to the Secretary \$1.50 per month for his services and that the Secretary be fined \$1.00 for absence from any meeting, provided he be not excused by the Board on account of sickness or sickness in family.

That the Secretary notify members of the Board by Postal Card, in advance of the time, and where held, and the hour of Regular and Called meetings.

2nd. Resolved:—That the Road Board pay each member \$1.00 for his attendance at each meeting, and if any member receives pay for attendance upon one or more Regular meetings, and is absent from such meetings afterwards unless from sickness, or sickness in family, and so excused by the Board, he shall be fined \$1.00 for each and every absence afterwards, and 25 cents for absence from any Called meeting when notified by the Secretary.

We want a full meeting at every session, as we cannot do our duty to ourselves and our duty to the Public if we stay away and do not gather new ideas from each other in these Board meetings. We know you are interested in good roads but you must attend our meetings to keep in touch with what we are all striving for and want to do.

We trust all members will be present at all meetings. We want, and are always glad, to have the Public attend our meetings, as we consider it a public trust, and their ideas can but do all of us good.

Speak to your friends and invite them to come. We meet the second Tuesday in each month.

Very sincerely,  
W. H. HEDGECOCK, Sec'y.  
D. M. PRINCE, Chairman.
